CRAFT SPIRITS

SINGLE MALT CRAFT WHISKIES

Our selection of rare single malt whiskies, most of them from smaller, little-known distilleries, has been carefully curated to ensure that we have the best from each of Scotland's whisky producing regions. Some of them are unrepeatably single cask whiskies of just a few hundred bottles which we've tracked down to places as remote as the Orkney Islands. They're nothing like the mass produced single malts found in airport duty free shops worldwide.

*Singles 25 ml

GLENKINCHIE 15 YR

30,00 zł glass

A light, grassy grain Lowland whisky from a distillery near Edinburgh and sometimes known as “Edinburgh malt.”

LINKWOOD 12 YR

40,00 zł glass

Just one of 278 bottles produced from a single cask on Speyside where the whiskies are fruity with notes of honey, nuts and spice.

LONGMORN 14 YR

35,00 zł glass

Another fine single malt from Speyside where more than half of all Scotland whisky is produced.

SKARA BRAE 12 YR

40,00 zł glass

One of a batch of only 450 bottles produced from a single cask at this distillery on the Orkney Islands off the north coast of Scotland. Lightly peated, a riot of flavours.

THE OBSERVATORY 20 YR

23,00 zł glass

A 20-year-old single grain, matured in American oak casks and bottled in 2022. Smooth and well-balanced, with distinct fruity notes. Thanks to long ageing in oak barrels, it impresses with exceptional softness and an elegant character.

GREIGN 20 YR

21,00 zł glass

Matured primarily in American oak casks, with a small proportion of sherry casks. Exceptionally smooth and perfectly balanced, it delights with a harmonious combination of fruit, vanilla, and caramel aromas.

CURRACHSEAWEEED CASK

26,00 zł glass

An Irish, triple-distilled whiskey, initially matured in ex-bourbon casks and then finished in virgin casks charred with seaweed. This unique combination of maritime aromas with a subtle hint of umami creates an intriguing, multidimensional flavor profile.
